

## Minutes of ShaLT Meeting 18<sup>th</sup> April 2013

Present: AG, MH, PS (ALS and CM in afternoon)

Apologies: GE

**Trifold:** MH updated on the distribution of this across London.

**Guide:** AG and MH suggested it was not a good idea to put the full Guide pdf on the website. AG suggested we do this in August. [PS to check this with GE when the minutes are distributed](#). The reasons given for not uploading the Guide were that we want to sell the Guide at this point and the homepage has a link to Amazon to enable this. Also, Star may feel this undercuts their own sales as they want to make money on this.

**Website:** PS reported that RKH will be adding a search box in the coming weeks. AG agreed small changes from MH: *White Devil* should be 1612, *Malfi* 1614.

MH had asked PS to update the modern day photo of the Red Bull site so that it made it clear the photo had been taken by MH. This had been done but both AG and MH would like all photos by MH to credit him as the photographer. [\(PS to check this with GE via minutes\)](#).

MH to send more of his photos for the website/PS to upload.

**Guide:** MH suggested that PS have 15 copies as author, with 10 each for the rest of the team.

MH to arrange with Cat for 5 to be sent to Bill Dudley, 5 copies for each lecturer, and one for each member of the advisory board. [Note from PS: One has been sent to Julian Bowsher and I gave one to Martin White at the launch].

One copy each for VIPs at launch.

A list was compiled for retail distribution of the Guide: MH to pass to Star.

**Lectures:** various arrangements were planned/checked.

AG may be able to attend the following lectures (not confirmed as yet): Womack, Sanders, Tompkins, Howard, Karim-Cooper, Taylor, Butler. Definitely not Stern and possibly not White.

**AOB:** CM to ask GM about the £500 for dinner with lecturers from abroad.
